June 15-20

Don't miss this great opportunity!

With a full daily curriculum in physics, chemistry, biology, and many more advanced topics, B-WISER is an inquiry-based learning experience. MS campers also meet female career exemplars who share their science journeys, and HS campers attend college readiness seminars.

By the evenings, campers participate in exciting programs ranging from engineering to light and waves. Campers advance their skills, make new friends, and gain self-confidence.

Partnership & Scholarship

B-WISER Science Camp is an educational partnership of The College of Wooster, the Martha Holden Jennings Foundation, and the Ardelle and Theresa Glaze Foundation.

Additional funding for scholarships is donated by the Noble Foundation, the American Chemical Society Section #223, Dr. Lois Cook, and the Kathryn Rieder Fund.
