HOME ENERGY VISITS

1

What are home energy visits?

Home energy visits are assessments of the energy efficiency of your home, wherein we can provide you with free low-tech interventions, such as LED light bulbs, weatherstripping, and more!

2

What are the benefits?

- Receive free low-tech interventions that both increase your energy efficiency and keep you warm for less this winter!
- Learn key information about how to make your home more energy efficient, which can help you save money on your energy bills!

3

Who is eligible?

Anyone who rents or owns a residence within the Talawanda School District.

4

How do I sign up?

Scan this QR code & fill out the form to show your interest in receiving a home energy visit!
