

Talawanda School District

New High School

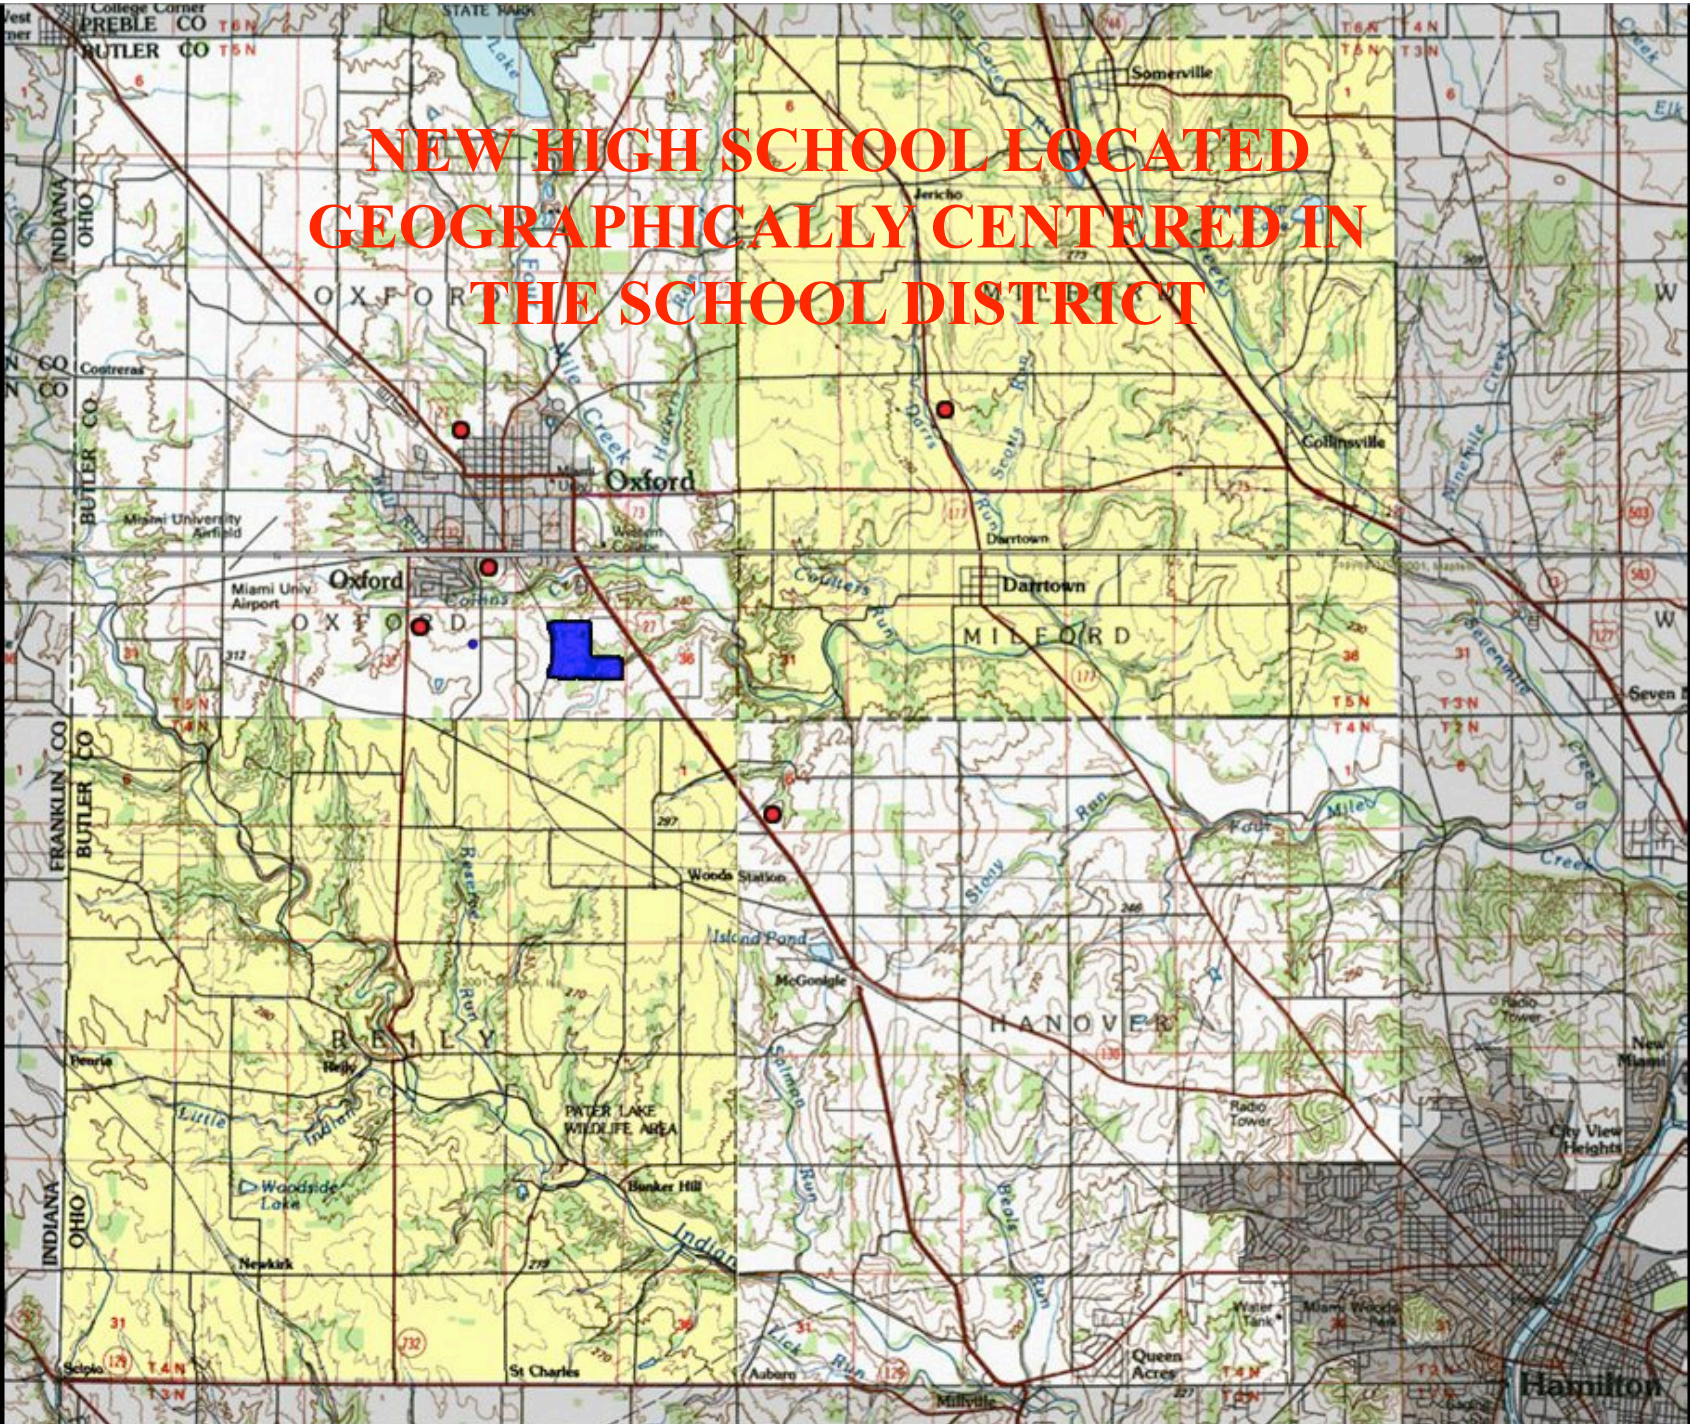

This contains the initial drawings of the new high school. The final design will be presented to the Talawanda Board of Education this spring.

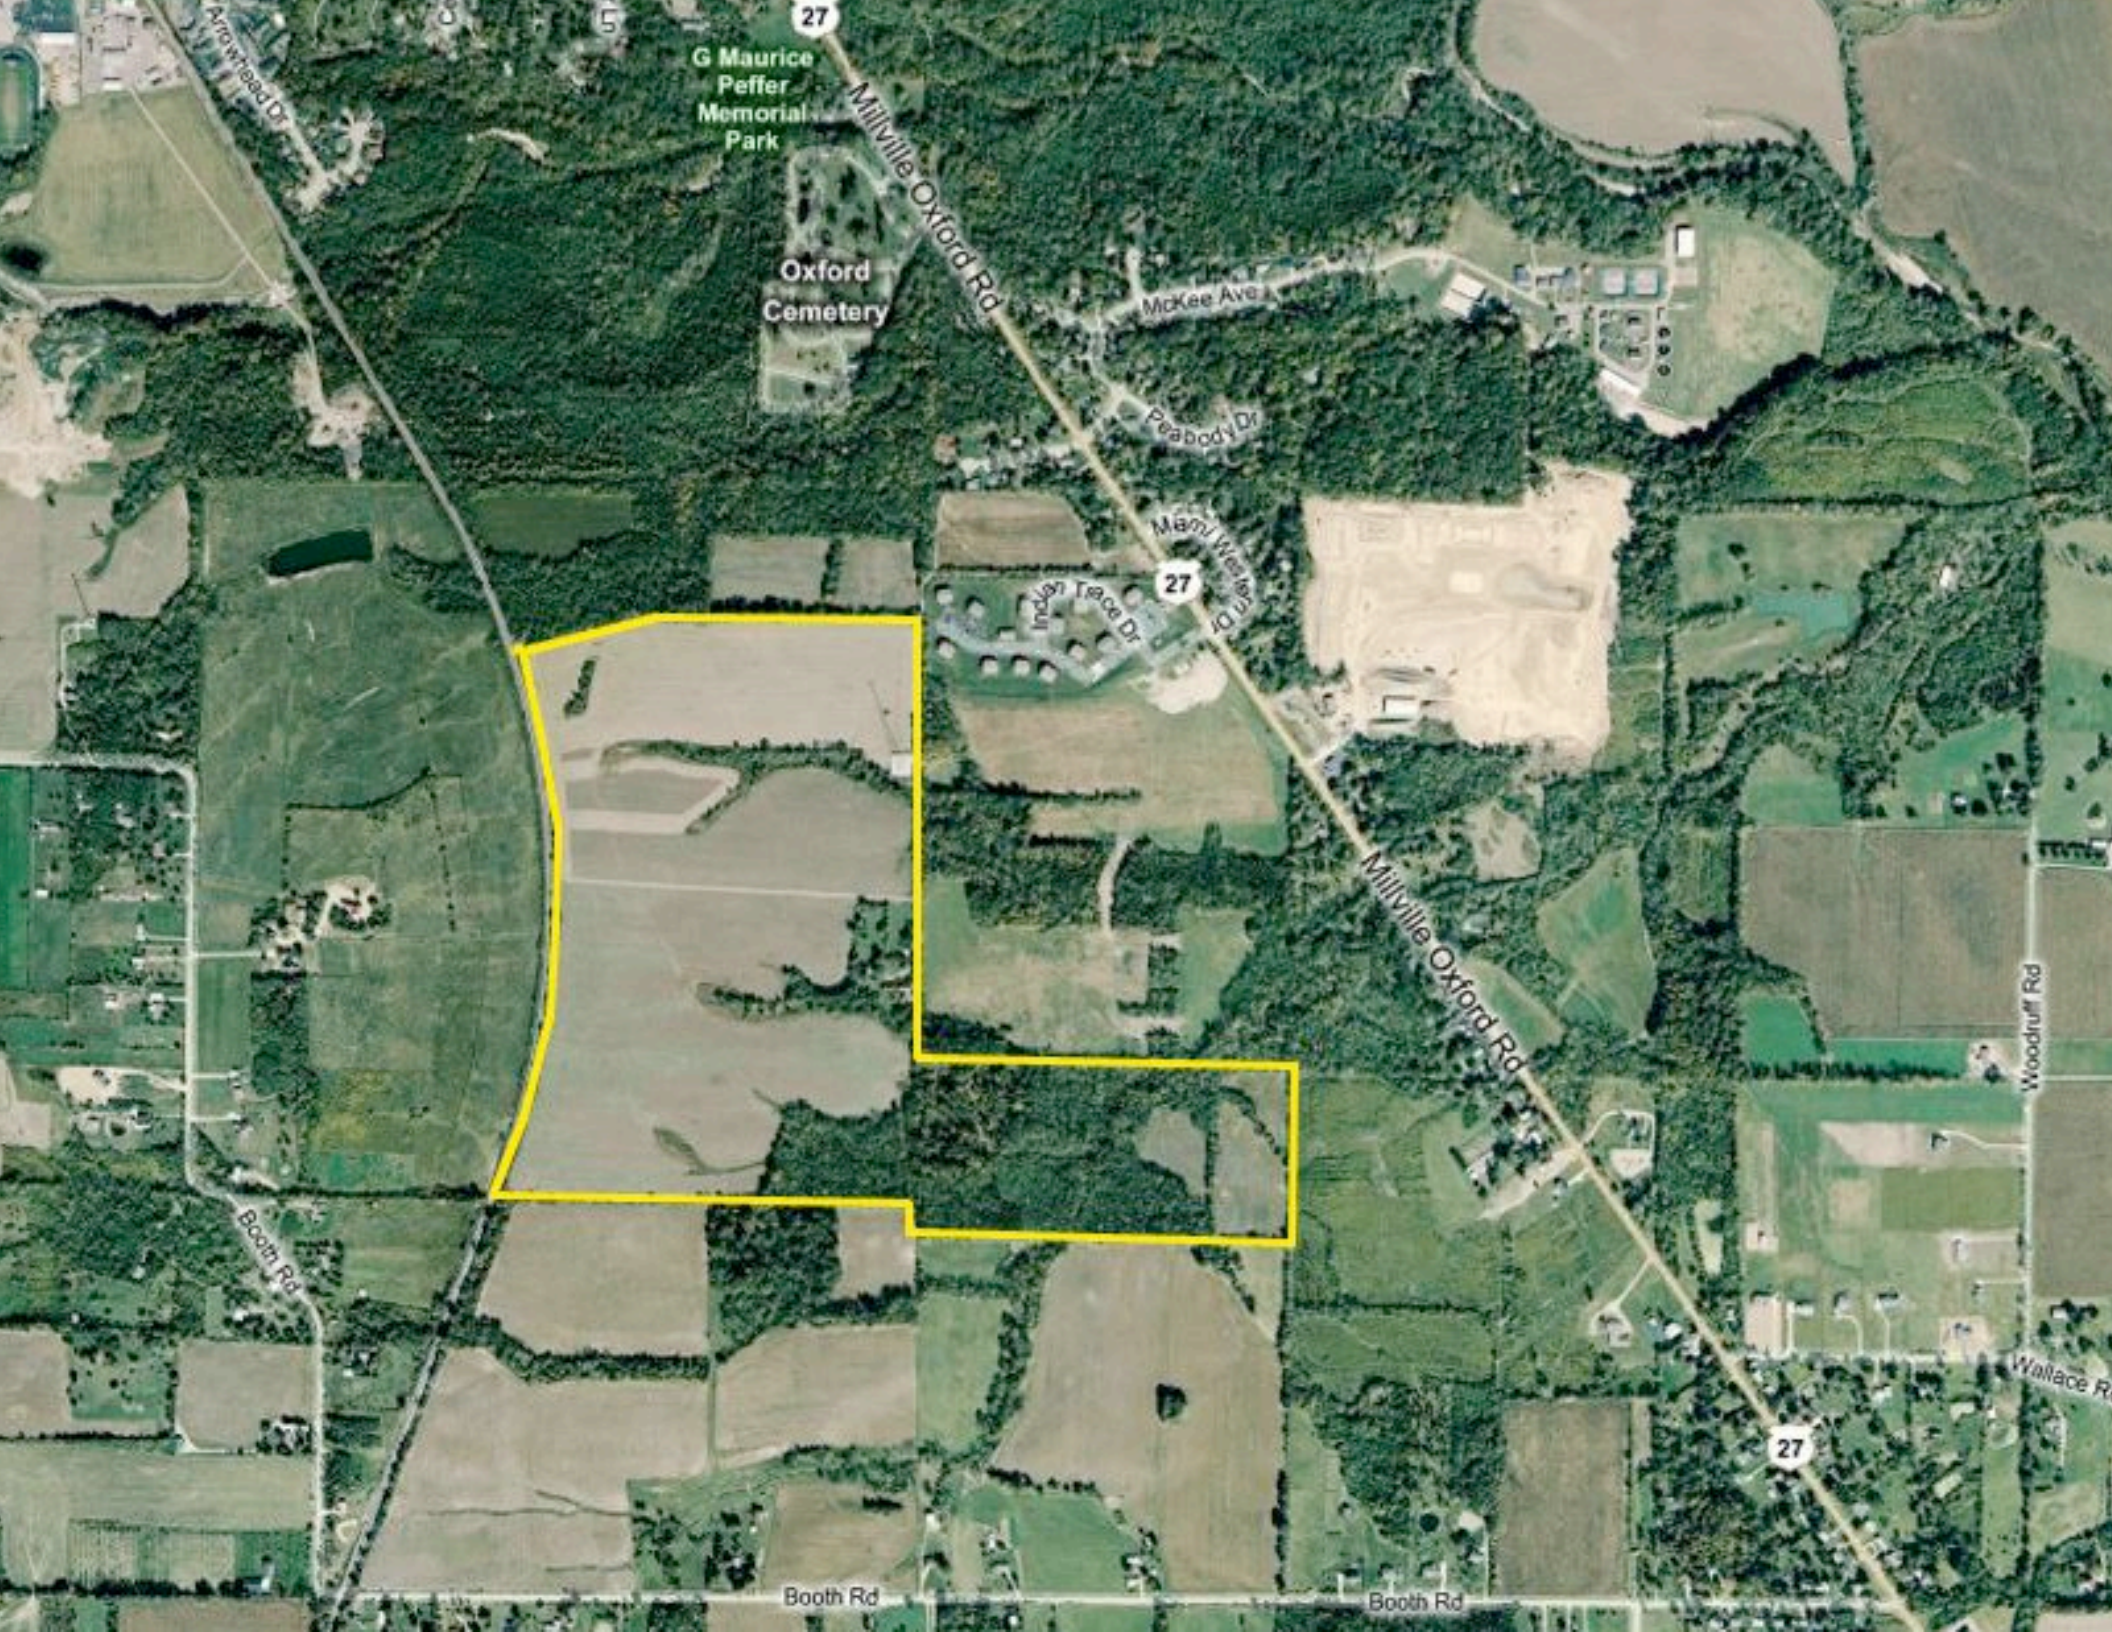

Location

- The site of the new high school will be located off of US 27 south of Oxford via an access road.
- The new high school will be on the northern portion of the L shaped property.

**SITE
PLAN**

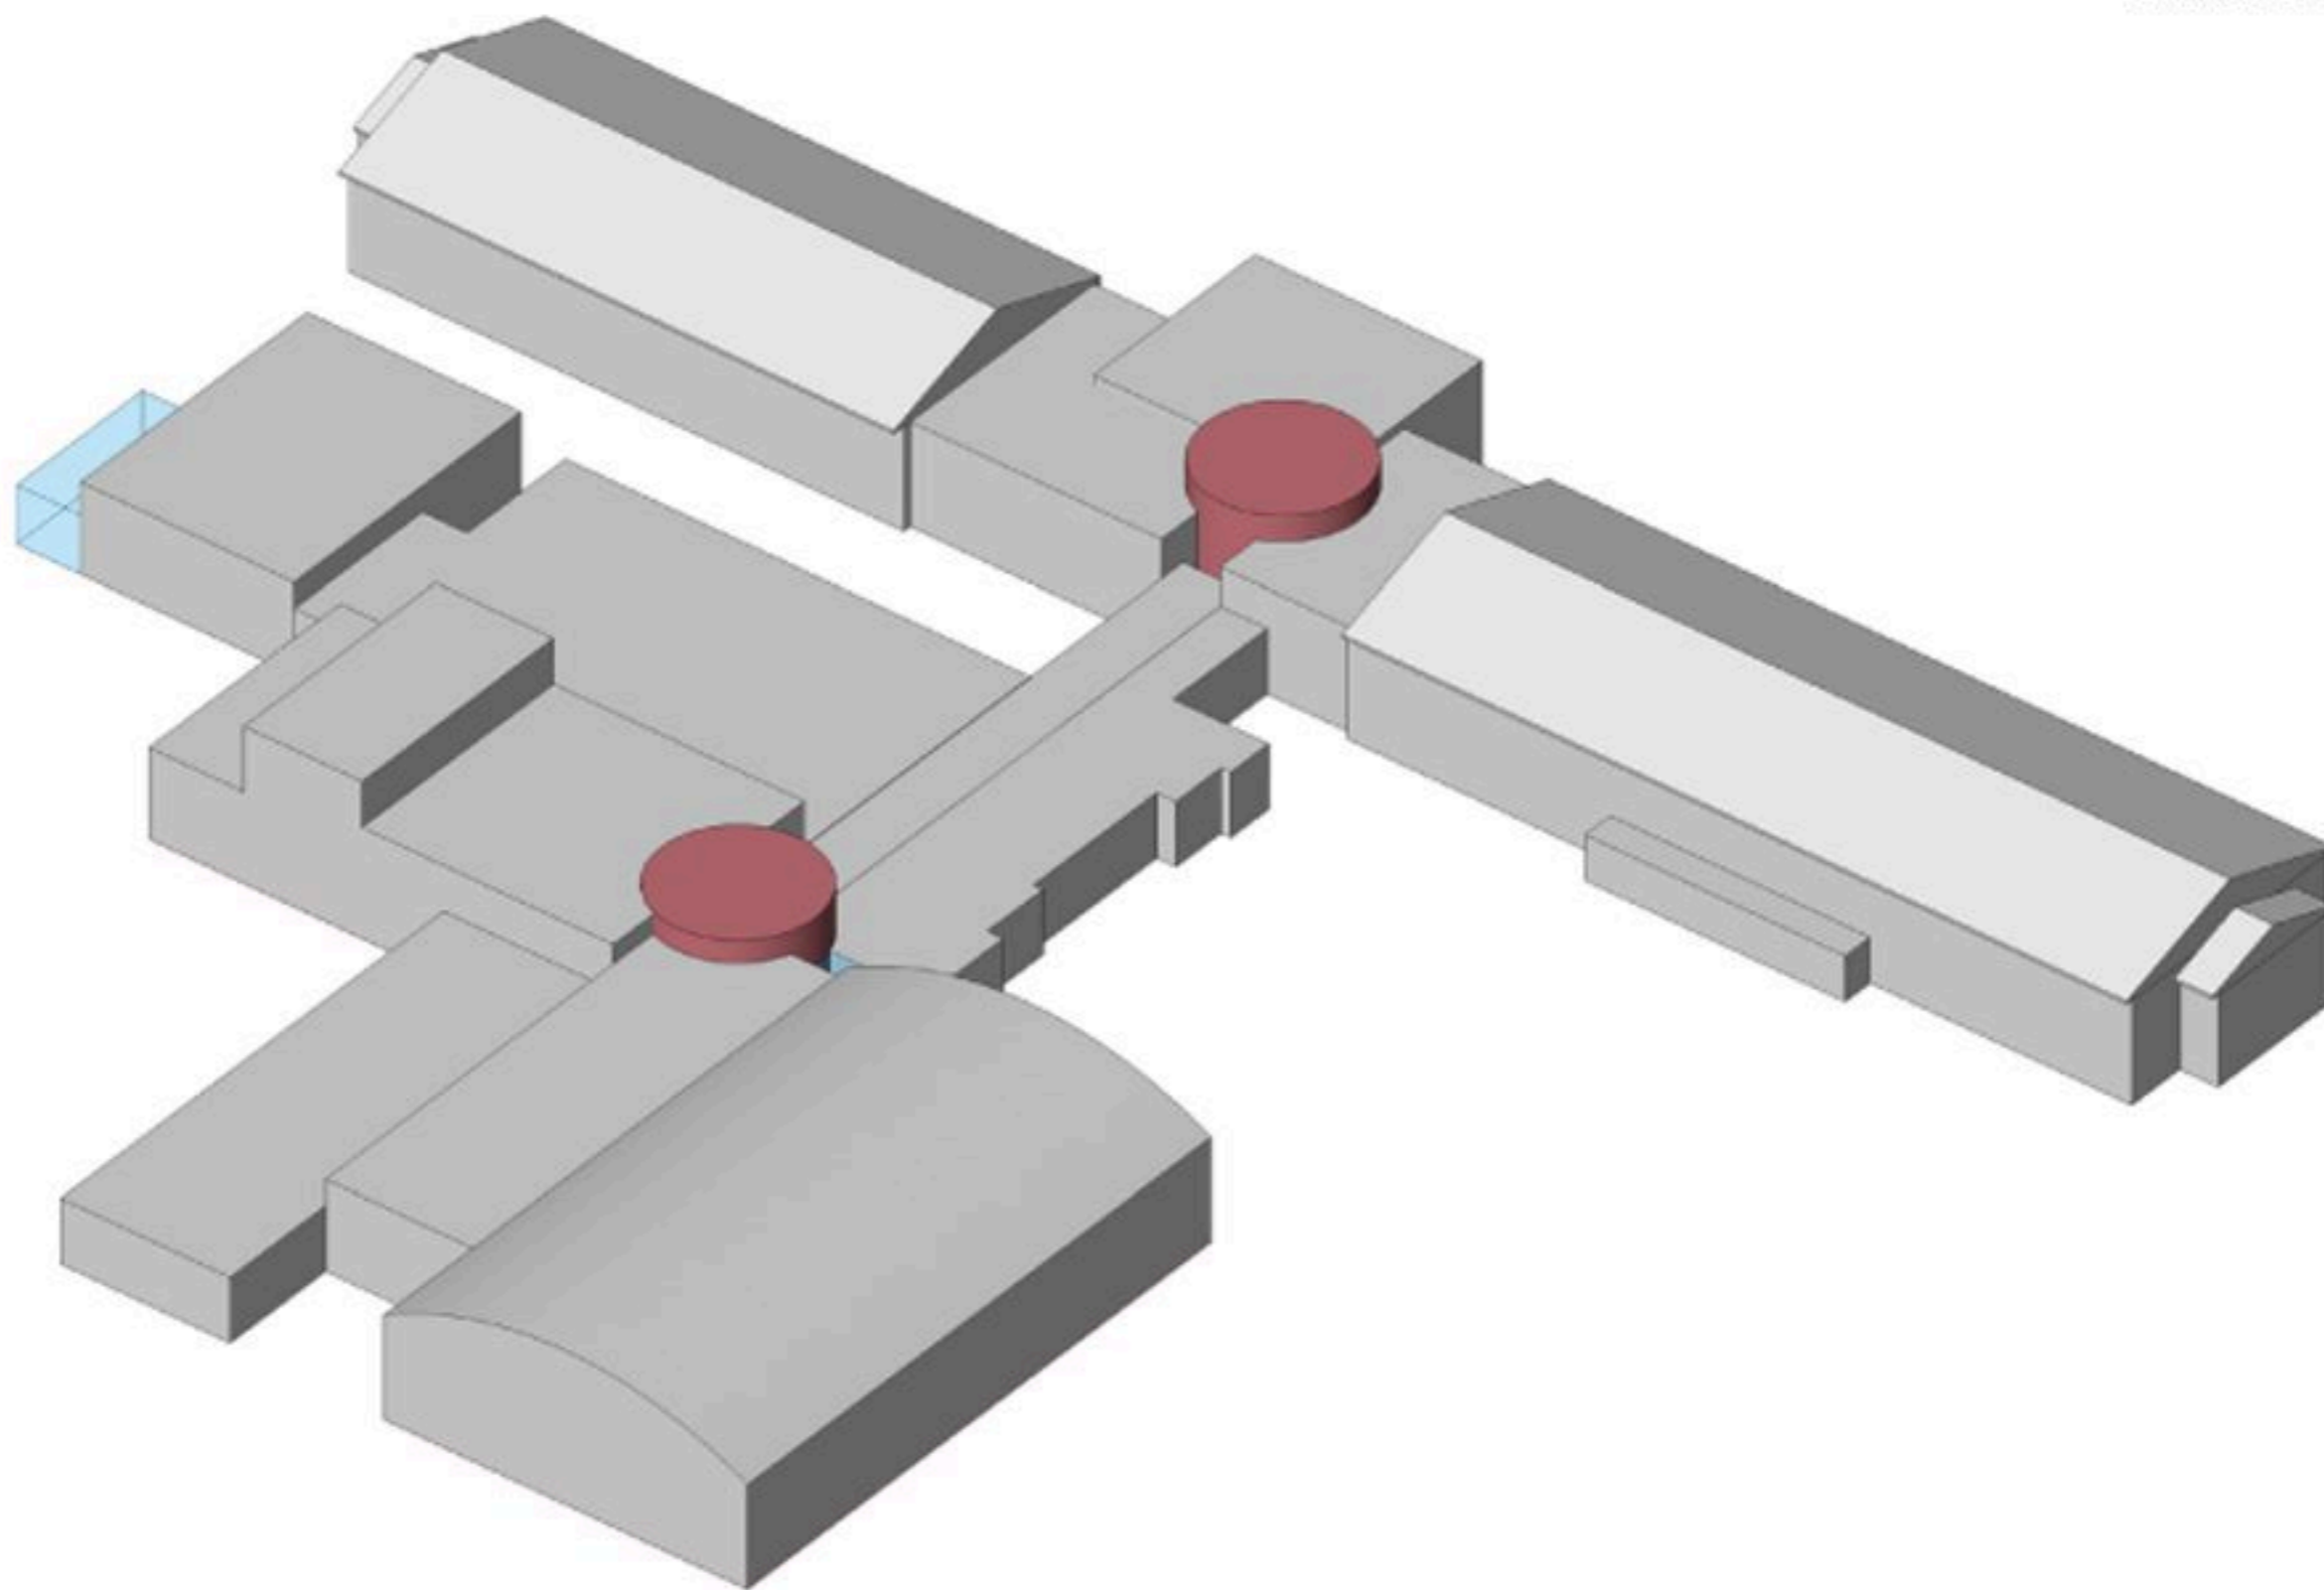

Building Plan

- The New High School will have a two story academic wing which runs East-West, making use of natural lighting from the North and South.
- There will be an event entrance that leads to the gym, auditorium, and cafeteria.
- The site includes a Football Field, Tennis Courts, Baseball and Softball Fields.
