As a parent, you want your child to grow up to be self-reliant, dependable, and caring. Scouting has these same goals in mind. Scouting weaves lifetime values into fun educational activities designed to assist parents in strengthening character, citizenship, and healthy living.

### WHY JOIN CUB SCOUTS?

#### TIME TOGETHER

Your time is valuable. Cub Scouting helps to support your family by providing ready-made opportunities for you and your child to do things together.

#### FRIENDSHIP WITH PEERS

Your child wants to belong to a group of boys or girls their own age. Through activities together, they build self-esteem and learn to get along with others. And, as a parent, you can be assured that your child joins a group that teaches values, good citizenship, character development, and healthy living.

#### FAMILY VALUES

Scouting teaches family values and encourages family activities that help to bond and grow your relationship with your child. Scouting activities can bring added value to help make the most of the time you have together.

#### A PLACE TO GROW

It's not all about winning like on the sports field. Cub Scouting teaches your child to be the best they can be, provides a safe place to learn, overcome obstacles, and help others along the way.

**Did you know Scouting offers ONLINE & VIRTUAL Interactive programs for your child to learn, have fun and continue to interact with their friends too!**
