

2023 Student STEM Camp

TALAWANDA HIGH SCHOOL • JULY 17-20, 2023

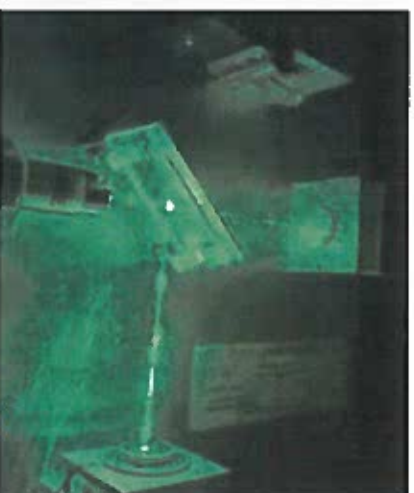

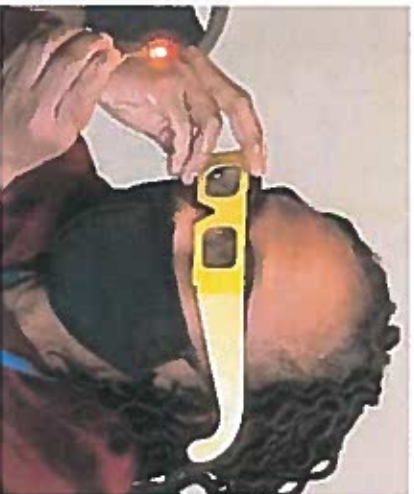

Quantum for All is hosting a Summer Camp for current high school students (grades 9-12) interested in STEM and quantum applications. It's a great way to learn in a hands-on and fun environment!

Space is limited, so register today by emailing:

schranh@talawanda.org

Camp topics include:

- Engineering Design
- 3-D planning
- Coding
- Internet Security (QKD)
- STEM career opportunities
