HOLIDAY COLLECTION DRIVE

Tis the season of giving!

If you are interested in participating and have already registered as a volunteer, you may click the link(s) below to be taken directly to the Butler County United Way CommUnity Connect volunteer page to learn more. If you are a first time user, please refer to the **FIRST TIME REGISTRANTS OR PARTICIPANTS** information below.

TEDDY BEAR DRIVE:

We are collecting new, stuffed Teddy Bears, other new, stuffed animals to give to needy children this holiday season. The Teddy Bears will be directly shipped to PARACHUTE: Butler County CASA for distribution to children and their families who are in uncertain situations; a teddy bear or other plush animal will help to bring a bit of brightness to them this holiday season.

[TAKE ME TO THE TEDDY BEAR DONATION PAGE!](#)

FIRST TIME REGISTRANTS OR PARTICIPANTS: By clicking the logo above, you will be taken to our "CommUnity Connect" volunteer portal. You will be asked to register to become a volunteer. After you register, you will be able to join the event as a volunteer. Our CommUnity Connect portal not only contains information about this event, but once you register, you will have a full view of all the volunteer opportunities offered not only through Butler County United Way but also our many partner agencies and other organizations throughout the greater Butler County region. You will not be solicited in any way unless you request to be notified of upcoming events.

CUSTOM VOLUNTEER EVENTS: Volunteer events can act as team building exercises and are a great way to bring your organization or company together to work as one, all while helping our communities at the same time! We are happy to create a custom event for you from our many resources. Please contact Amanda Burns, Campaign/Volunteer Manager at aburns@bc-unitedway.org or 513.785.2350 for additional information.

Thanks to all of you for your generosity!
