Swim and Dive News!

Even though the swim & dive season is over, the awards still continue to roll in for the Brave Swim & Dive Teams. Last week both the boys and girls teams were named All-American Scholar Teams. The girls team earned silver status by having a team GPA of 3.625, while the boys team earned bronze status with a team GPA of 3.456. Also, individually Rory Adryan, Olivia Baker, Arthur de Boer, Casey Johnston, and Sean Mondello were named Academic All-Americans. To become an Academic All-American you must be a senior, have a GPA greater than a 3.75, and have earned a varsity letter during your senior year. There are over 340,000 students that compete in high school swimming & diving across the country and only 2% of these students are named Academic All-Americans. Congratulations to all on getting the job done in the pool and in the classroom as well.

From the Oxford Lions Club - Eye Exams and Glasses Program:

The Oxford Lions Club is dedicated to the overall philosophy of Lions International concerning the provision of vision services to our local community. The local community includes Oxford and the surrounding areas serviced by the Talawanda School District. An important vision service funded by our Club is providing eye exams and eyeglasses for needy school children and adults within the local community. Our Club policy is to provide full funding and other necessary support for those children and families with limited financial resources. Applications for the eye exams and eyeglasses program are available at each Talawanda school building by contacting Talawanda social service workers and/or nurses. The Oxford Lions Club also collects old eyeglasses and donates them worldwide to people in need. As you are doing your spring cleaning, please drop-off or send any old eyeglasses to Marshall! Thank you!
