## How to Add a ProgressBook ParentAccess Icon to Your Mobile Device Home Screen

Article # 2042

ProgressBook ParentAccess is designed to work seamlessly on mobile devices. This guide shows you how to add a shortcut to the ProgressBook web application on your iOS or Android mobile device's home screen.

### Procedure for iOS

1. Using your browser, navigate to your designated ProgressBook website and successfully log in.

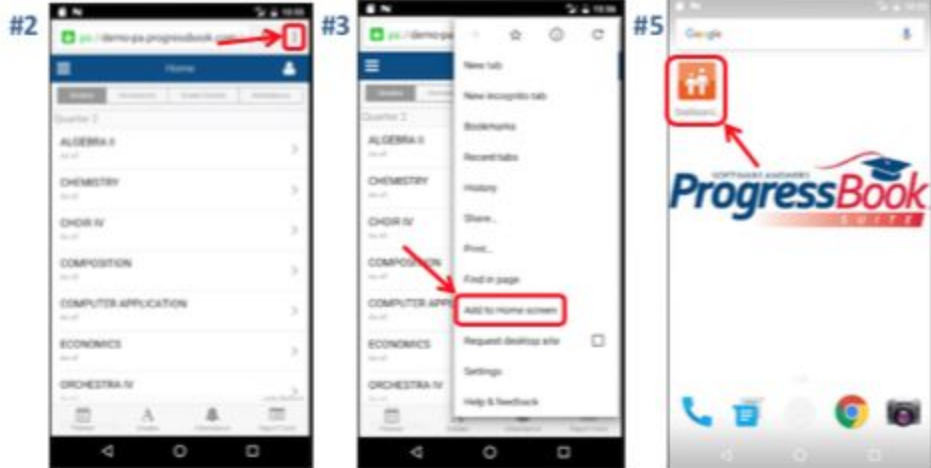

2. At the bottom middle of your screen, click .
3. On the menu that pops up, click **Add to Home Screen**.
4. Enter your desired name for the shortcut and click **Add** in the top right corner.

5. The icon now displays on your iOS device's home screen.

## Procedure for Android

- Using the Chrome browser , navigate to your designated ProgressBook website and successfully log in.

- At the top right of your screen, click .
- On the menu that pops up, click **Add to Home Screen**.
- Enter your desired name for the shortcut and click **Add**.

Add to Home screen

- The icon now displays on your Android device's home screen.

**Note:** The Chrome browser must be used to create the shortcut on Android phones. If you open the ParentAccess website with the Google application instead, you will have to click the menu button, click "Open in Browser", select Chrome, and then follow the instructions above.

All proceeds benefit the Talawanda Track & Field and Cross Country programs.

# Oxford Empty Bowls

*A benefit soup luncheon dedicated to hungry people in our community*

*Held in conjunction with Hunger + Homelessness Awareness Week and  
the City of Oxford/Talawanda Schools/Miami University's Veterans Appreciation Day*

**Saturday, November 10, 2018**

**11:00 a.m. – 2:00 p.m.**

❖ **Oxford Community Arts Center** ❖

**Purpose:** To join other Empty Bowls projects worldwide to raise awareness and money to combat hunger. All proceeds will be donated to the Oxford Community Choice Pantry and other area organizations to support their efforts to provide food to local people in need.

**How it Works:** At the luncheon, guests choose from amongst a collection of beautiful bowls created, decorated and donated by Miami University and Talawanda students and Oxford-area potters. Their bowls are then filled with their choice of soups made by local cooks. Luncheon guests then keep their bowls to use or display at home and to serve as a reminder that there are always empty bowls in the world. Homemade bread and desserts, and beverages donated by area businesses will also be served.

**Cost:** \$10 adults; children 10 and under may eat for free (bowl not included).

*For more information on Oxford Empty Bowls, please contact Connie Malone, 513-330-1273*

*Co-sponsored by the Office of Community Engagement & Service, Miami University*

### THE AIP MASTER'S DIFFERENCE

The Advanced Inquiry Program (AIP) offers a ground-breaking master's degree that combines web-based graduate courses through Miami University with face-to-face experiential learning and field study at premiere community learning institutions nationwide. AIP students learn with peers and faculty nationally while also working directly through their local AIP Master Institution to improve their communities through shared investigation and action.

### OUR AIP MASTER INSTITUTIONS

- ★ Chicago Zoological Society/Brookfield Zoo – Chicago
- ★ Cincinnati Zoo & Botanical Garden – Cincinnati
- ★ Cleveland Metroparks Zoo – Cleveland
- ★ Denver Zoo – Denver
- ★ Missouri Botanical Garden – St. Louis
- ★ San Diego Zoo Global – San Diego
- ★ Wildlife Conservation Society/Bronx Zoo – New York
- ★ Woodland Park Zoo – Seattle

### SAMPLE GRADUATE COURSES

AIP master's students earn 35 total credit hours: 21 credit hours of courses that combine web-based instruction with the excitement of experiential learning and field study on-site at your AIP Master Institution + 14 credit hours of AIP core courses that occur on the web.

- Foundations of Inquiry
- Conservation Science & Community
- Urban Ecology
- Global Biomes
- Project Design & Assessment
- Issues in Evolution
- Biology in the Age of Technology
- Graduate Research: Conservation Innovation

AIP students also have the option to integrate international field study into their coursework by participating in an Earth Expeditions course in Africa, Asia, Australia, or the Americas (7 credits from Earth Expeditions courses can count toward the AIP master's degree).

### PROJECT DRAGONFLY AND THE AIP

Project Dragonfly reaches millions of people each year through Inquiry-driven learning media, public exhibits, and graduate programs worldwide.

Project Dragonfly is based in the biology department at Miami University in Oxford, Ohio. Established as a state university in 1809, Miami is one of the eight original Public Ivies and has a distinguished record of excellence in research and teaching in science and science education.

### Advanced Inquiry Program Details

#### Why Participate?

The AIP is based on the principle that education should extend beyond the classroom, and that students should make a difference—not just after graduation, but now, as a basic function of education itself. AIP students join a coalition of extraordinary educators and conservationists to improve neighborhoods, schools, businesses, and ecosystems, while advancing national education standards through research-based practices.

The AIP master's can be completed part-time while working. It's designed for educators and a broad range of professionals from non-profit, business, and government settings.

#### Who Is Eligible?

Enrollment is open to applicants who hold a bachelor's degree—regardless of academic major or profession—and who are able to travel to an AIP Master Institution. Coursework occurs online with experiential learning at affiliated institutions.

#### Degree Options

Applicants elect to enroll in either a Master of Arts in Teaching (MAT) in the Biological Sciences or a Master of Arts (MA) in Biology. MA and MAT candidates go through the Advanced Inquiry Program together.

Miami University is fully accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools (please see <http://miamioh.edu/academic-affairs/accreditation/>).

#### Costs

To support involvement by a broad range of educators and conservation professionals nationally, Miami University offers significantly reduced tuition for all classes in pursuit of the web-based AIP degree.

#### Applying Online Is Easy!

Apply at [AIP.MiamiOH.edu](http://AIP.MiamiOH.edu) by February 28.

Master's program applicants will also apply to Miami University's Graduate School; best to start this process as early as possible.

# TMS PTG Volunteer Sign Up

Parents,

The Talawanda Middle School Parent Teacher Group (TMS PTG) may be small but we are still out there working hard for TMS. We are looking for some volunteers to help with a few activities this school year. The role of TMS PTG is to basically. . . .

- 1- Support student groups with funding (ie. pay the entrance fee for a club to compete).
- 2- Organize and conduct fundraisers for class trips for each grade level.
  - \* 6th grade trip "Glen Helen Experience"
  - \* 7th grade trip "Columbus Zoo & COSI"
  - \* 8th grade trip "Washington, D.C."
- 3- Support our teachers by . . . .
  - \* Providing a meal on teacher conference night.
  - \* Dropping off/organizing small treats for teachers throughout the year.

Our first meeting will be September 11th at 6:30. **We hold our meetings at the LaRosa's in Oxford. Pizza and drinks will be provided.** The purpose of the meeting will be to organize our events for the year and to create some small committees to run the events. Below are some of the events that we plan to hold this year.

## SIGN UP TO RECEIVE EMAILS!

### **1- Parent/Teacher Conference Meals. (fall & spring)**

TMS PTG will use "Signup Genius" to ask parents to donate drinks, food, or money to provide a dinner for teachers during conference nights.

### **2- 5th Grade Family Night at TMS. (May)**

A chance for 5th grade families to visit, tour, and hear about programs offered here at TMS. We have 2 great years, and looking forward to another one.

### **3- Treats for Teachers (all year)**

Pick a random day each month to organize a treat for the teachers. Examples would be. . .

- \* October "Pumpkin treats"
- \* November "Charlie Brown Thanksgiving"
- \* February "Anything red"

## We need VOLUNTEERS to pull this off!!

TMS PTG will use a web page (Sign-Up Genius) to organize volunteers and donations for our events. An email will be sent out to all of those who has submitted their email(s). It does not mean that you need to volunteer for every event. You still have the option to say no and join the next one.

## IT IS A GREAT WAY TO KEEP UP WITH EVENTS AT TMS!

## TALAWANDA SCHOOL DISTRICT

# EMERGENCY GUIDE

Talawanda School District  
Ed Theroux, Superintendent

In the Talawanda School District, safe and secure learning environments are the first priority:  
**Students must first feel safe in order to grow academically, socially, and emotionally.**

It is important to communicate actions that ensure safe school environments. Every emergency situation is unique in initiation and response so the information in this material is not all inclusive. However, it is intended to provide a better understanding of responses in the event of a crisis or emergency.

## TALAWANDA SCHOOL DISTRICT EMERGENCY GUIDE

**TIP LINE:**  
**844-SAFEROH**

Through partnerships with the Ohio Department of Education and the Ohio Department of Public Safety, every school in Ohio has been registered for SaferOH, a tip line that proactively helps to ensure the safety and well-being of its students.

By calling **1 (844) SAFEROH**, students and adults can share information with district and law enforcement officials regarding threats to school or student safety, such as bullying, suicides, or violence.

Callers may remain anonymous or share their contact information for possible follow-up. The line will accept both calls and texts 24 hours a day, 7 days a week.

**An emergency is any unexpected incident that could affect the health or safety of students or employees**

... such as a disruption in utilities or a national emergency. Emergencies can affect one child, one school, or the entire school district.

When an emergency occurs, school officials evaluate the seriousness of the situation and determine the best plan of action to respond quickly, safely, and appropriately. Emergency responders such as police, fire, and medical teams are notified and assist as needed.

## EMERGENCY RESPONSE

Each Ohio school district has an emergency preparedness plan outlining possible scenarios and responses that vary based on conditions and situations.

The crisis management team, a team in each school that has emergency training, determines the best crisis response. In the event that the response includes an emergency student dismissal, it is important for parents to understand that students will be dismissed to parents once danger has passed.

In any emergency situation it is critically important that school leaders and safety personnel respond quickly. According to law enforcement and safety officials, it is important that parents wait for a call to pick up their children rather than rush to a site. Parents of students in the affected building will receive detailed information as soon as possible.

### FOUR COMMON RESPONSE OPTIONS

#### LOCKDOWN

**1** A lockdown may be used in response to an event inside or outside of a building. During a lockdown, students are restricted to their classroom and are not released from the classroom until lockdown procedures have concluded.

#### SHELTER-IN-PLACE

**2** This protective action is enacted when an event takes place outside of the building and officials determine that the safest course of action is to keep students and staff inside the building until the external event is resolved. During shelter-in-place, there could be student movement within the building, but students will not be released from the building until the shelter-in-place procedures have concluded.

#### EVACUATION

**3** If it is unsafe for students and staff to remain inside the building, the building will be evacuated. Students and staff may remain on school grounds until the building is safe to re-enter or may be relocated to a safe location off of school property, depending on a variety of circumstances.

#### EMERGENCY SCHOOL CLOSING

**4** This procedure will take place if your school officials determine students are safer at home than at school or trying to get to school. This most often occurs due to loss of utilities or a weather emergency.

If your school or school district intends to send students home or evacuate from a risky location to safe location, specific information will be communicated to the parents of affected students through a phone call.

### RESPONSE TO ACTIVE AGGRESSOR

In Ohio school districts, students and staff in all buildings are trained three times each year in an emergency response process known as ALICE. Most often used in the event of an active aggressor, ALICE empowers students and teachers to ensure their personal safety.

It is important to remember that ALICE is not a linear progression and response action, but is dependent on the individual situation. Decisions are made by teachers and students to ensure their personal safety.

**A** **ALERT:** Alert students and staff of an active aggressor.

**L** **LOCKDOWN:** Barricade a locked door with large objects, such as desks, chairs, shelves, etc.

**I** **INFORM:** Listen for communication, make informed decisions as to what action should be taken.

**C** **COUNTER:** If confronted by an aggressor, attempt to distract or confuse in order to get away.

**E** **EVACUATE:** Leave the area if it is unsafe based on all available information and observations.

### Student Release Student-Parent Reunification

In the event of an emergency situation during which a parent chooses to remove his/her child from school, or one that requires students to go home, your school district will care for each student until a parent arrives or until it is safe to transport the student home using district school transportation. Be assured that no child will be left alone.

In a **situational student release**, school officials determine that students and staff members need to evacuate a building temporarily but DO NOT need to close school

or dismiss students. Parents who elect to remove students during the time of an evacuation will need to report to a designated area with photo ID to sign out students. Emergency contacts designated for student release by parents may also remove specific students from school with a photo ID. For safety reasons, no other individuals are permitted to take students from a school.

**Reunification** occurs when school officials determine that students and staff members need to evacuate a building, close school, and dismiss students. The closing of school may require that the students be relocated to a secondary location. If students are relocated to an off-campus reunification site, a "gated reunification system" will be in place. Parents of emergency contacts will be required to pick up students either on campus or from the secondary reunification location.

In the event of an **evacuation to another location**, Parents of students in the affected building will receive a phone call with detailed information. Evacuation locations are not made public in advance so as not to jeopardize the efficiency or safety of the plan.

### Gated Reunification System

Students may only be released to a parent or emergency contact designated for student release. Photo identification is required.

Upon arrival at the reunification site, parents will:

1. Report to the parent check-in area;
2. Complete a reunification card;
3. Be escorted by a staff member to his/her child; and
4. Sign the reunification card to ensure all students are accounted for and safe.

### Crisis Response Team

Your district personnel are trained using the **Traumatic Event Crisis Intervention Plan**. TECIP is a school-based framework designed to meet the emotional and psychological needs of students and staff in the aftermath of a traumatic event.

### SAMPLE REUNIFICATION SCENARIO

## Attention Talawanda Middle School Families!

### Save your Plastic Caps and Lids!

**Please start saving your plastic caps and lids!** The National Junior Honor Society (NJHS) is leading a bottle cap and plastic lid recycling initiative at TMS. The recycled bottle caps and lids will be collected until we have enough to **make a bench for TMS made completely of recycled lid and cap plastic** material we have collected!

Here is how you can help us:

- **Collect plastic bottle caps and plastic lids** (see list of acceptable caps and lids below)
- Feel free to collect large amounts at home and bring to school in grocery bags or ziploc bags - the whole bag can be placed in the collection bin
- **Please rinse** all lids and caps before bringing them to school
- Place lids and caps in a **collection bin** - there is one located in each grade level hallway and one in the cafeteria
- Collection will continue until we have enough to build a bench for TMS (Kramer and Marshall already have benches and Bogan is collecting this year for a bench!)
- Spread the word! Tell your friends, family, and neighbors and ask them to collect too!
- This benefits our community (recycling!), the school (we get a bench!), and you (you help make TMS a better place!)
- Questions? Contact NJHS Advisor Mrs. Murray [murraym@talawanda.org](mailto:murraym@talawanda.org)

NJHS students will be responsible for collecting, cleaning, and sorting lids and caps here at school. This project is possible through the ABC Promise Partnership program at Green Tree Plastics, LLC. We appreciate your help in this project that promotes recycling and will benefit our school with a new bench!

#### ACCEPTABLE CAPS

medicine bottle caps	drink bottle caps
milk jug caps	flip-top caps (ketchup, mustard)
detergent caps	spout caps (mustard)
hair spray caps	spray paint caps
toothpaste tube caps	ointment tube caps
deodorant caps	caps w/ RECYCLE NUMBERS of (2) (4) (5)

#### ACCEPTABLE LIDS

cottage cheese container lids	cool whip container lids
mayonnaise jar lids	coffee can lids
yogurt lids	cream cheese container lids
peanut butter jar lids	butter container lids
ice cream bucket lids <b>under 8"</b>	Prescription bottles labels removed
