## Attention Talawanda Middle School Families!

### Save your Plastic Caps and Lids!

**Please start saving your plastic caps and lids!** The National Junior Honor Society (NJHS) is leading a bottle cap and plastic lid recycling initiative at TMS. The recycled bottle caps and lids will be collected until we have enough to **make a bench for TMS made completely of recycled lid and cap plastic** material we have collected!

Here is how you can help us:

- **Collect plastic bottle caps and plastic lids** (see list of acceptable caps and lids below)
- Feel free to collect large amounts at home and bring to school in grocery bags or ziploc bags - the whole bag can be placed in the collection bin
- **Please rinse** all lids and caps before bringing them to school
- Place lids and caps in a **collection bin** - there is one located in each grade level hallway and one in the cafeteria
- Collection will continue until we have enough to build a bench for TMS (Kramer and Marshall already have benches and Bogan is collecting this year for a bench!)
- Spread the word! Tell your friends, family, and neighbors and ask them to collect too!
- This benefits our community (recycling!), the school (we get a bench!), and you (you help make TMS a better place!)
- Questions? Contact NJHS Advisor Mrs. Murray [murraym@talawanda.org](mailto:murraym@talawanda.org)

NJHS students will be responsible for collecting, cleaning, and sorting lids and caps here at school. This project is possible through the ABC Promise Partnership program at Green Tree Plastics, LLC. We appreciate your help in this project that promotes recycling and will benefit our school with a new bench!

❖ **Oxford Community Arts Center** ❖

**Purpose:** To join other Empty Bowls projects worldwide to raise awareness and money to combat hunger. All proceeds will be donated to the Oxford Community Choice Pantry to support its efforts to provide food to local families in need.

**How it Works:** At the luncheon, guests choose from amongst a collection of beautiful bowls created, decorated and donated by Miami University and Talawanda/Kramer students and Oxford area potters. Their bowls are then filled with their choice of soups made by local cooks. Luncheon guests then keep their bowl to use or display at home and to serve as a reminder that there are always empty bowls in the world. Homemade bread and desserts, and beverages donated by area businesses will also be served.

**Cost:** \$10 adults (with bowl); children 10 and under eat for free (bowls not included)
