Yearbook News

The deadline to pre order your students yearbook is quickly approaching. You have until March 16th to pre order a yearbook. Yearbook orders forms were sent home last month for those of you who still needed one. If you have already placed an order please just disregard these order forms. If you would like to place your order online please visit ybpay.lifetouch.com and the ID code is 10975618. If for some reason you are not sure if you have placed an order or if you have any questions, please contact Suzanne Burch at burchs@talawanda.org.

COOKIE DOUGH SALE

February 20 - March 8, 2018

TMS Families,

This is the last fundraiser of the year to help fund student travel at TMS. Each student was given a packet/envelope for cookie dough. Each student was also given a letter explaining in detail how the Cookie Dough Sale works for their grade level.

Please read over the instructions and decide if this is something your child(ren) wants to participate in here at TMS. Each student that decides to participate in the sale will earn a 50% profit to be used for student trips at TMS.

The sale is over **MARCH 8, 2018** -- Please double check your order and money. All checks are payable to TMS PTG.

Cookie Dough delivered -- Tuesday, March 27th at 2:50pm.

Any questions or concerns should be directed to John Brinck at

... Email = brinckj@talawanda.org

Cell = 513 - 477 - 9503

EXTRA FORMS ARE LOCATED IN THE TMS OFFICE.

Read the fine print.

School fundraisers are designed to assist students wanting to travel on class trips. If a student chooses to not travel, all money raised is forfeited to the general scholarship fund. There is also a cap to how much profit a student is allowed to earn. The profit stops at 75.00 past the cost of the Washington, D.C. trip. The extra money will be donated to the general scholarship fund. For example: earn \$700 and the trip cost \$600 -- you keep 75 TMS keeps 25. This rarely happens, but we can't let you pocket hundreds of dollars in profit.

TALAWANDA SCHOOL DISTRICT

Empowering Every Learner Every Day!

February 23, 2018

Dear Talawanda Families:

The Talawanda community has been so sad to learn of one more school tragedy that occurred this past week in our country. We grieve for those students, families, educators! Our heartfelt thoughts and prayers go out to the entire Parkland, Florida community. It is terrible that schools *must* prepare their safety plans and procedures in ways that address potential threats of violence against children in our schools.

As a member of the education/school community, and as a guardian of the students who pass through our doors, I feel it is imperative that student welfare and safety be our first priority within the Talawanda School District.

The district administrators meet with local safety officials each quarter to evaluate the district's emergency plans, resources, and training needs. Administrators are asked to review building safety plans on a regular basis. Staff members are asked to keep their emergency protocols on their desks so that they are easily accessible. Annually, safety officials from the Oxford Police Department and the Butler County Sheriff's Department volunteer their time to provide ALICE (Alert, Lockdown, Inform, Counter, Evacuate) training to our K-12 students. The state requires that drills are conducted annually, functional table top drills are conducted every other year, while functional drills are conducted every third year. We have been engaged in planning a functional community drill for many months that will take place on August 31, 2018. Community volunteers will be asked to assist with this task.

choice

When you have a check, gold and silver, or personal life insurance, it's not a bad idea to have it appraised. You can't sell it unless a professional does it, so it makes sense to have it appraised before you sell. You can find an appraiser on the Internet, but you should be careful. A website that has to charge an appraisal fee, and that doesn't have a lot of feedback, is not a good idea.

Canada's Appraisal Institute (CAI) is a professional organization of appraisers. It has a website that lists appraisers by province and city. You can also find appraisers in the Yellow Pages. The CAI also has a list of appraisers in the United States. You can find appraisers in the Yellow Pages, but you should be careful. A website that has to charge an appraisal fee, and that doesn't have a lot of feedback, is not a good idea.

January 25, 2018

Cold and flu season is upon us. According to the CDC we are in the peak of the flu season and still have about 8 weeks to go! Below we have listed a few of our school exclusion guidelines as well as some preventative tips. Please adhere to these guidelines and make note of the suggested habits. Let's work together to keep our school community and our homes as healthy as possible.

1. **Fever**- 100 degrees Fahrenheit or higher, the student will be sent home and should remain home 24 hours fever free without fever reducing medications.
2. **Diarrhea**- occurrence of more than one episode at school and/or with additional symptoms. The student can return to school after 24 hours symptom free.
3. **Vomiting**-occurrence of more than one episode of vomiting and associated with other symptoms. May return to school after 24 hours symptom free. Every attempt will be made to distinguish between regurgitating food and vomiting due to illness.
4. **Runny Nose**- Students who cannot control their secretions and /or have green/yellowish-brown secretions need to remain home until symptoms improve.
5. **Coughing**- Excessive coughing contributing to the inability of the student to participate in class work or is disruptive to other students.
6. If symptoms worsen or persist, see your healthcare provider to be evaluated. The flu can be serious for children.

Helpful tips for Staying Healthy:

1. Frequent hand washing is the **BEST** way to prevent and combat the spread of Germs. Wash hands with soap and water.
2. Avoid touching eyes, nose, and mouth.
3. If your child has any signs and symptoms of illness, please keep them home.
4. Cover coughs and sneezes with a disposable tissue or use elbow or arm if no tissue is available.
5. Do not share drinks, foods, or unwashed utensils.
6. Get plenty of rest, eat healthy foods, and drink lots of water and healthy drinks.
7. Avoid people that are sick and stay home when you are sick.
8. Disinfect surfaces that are prone to germs (ex. Phones, keyboards, door knobs, toothbrushes).

NOTE: It is not too late to get the flu vaccine!

Please inform the school of any contagious illness. If you have any questions or concerns, please do not hesitate to contact us.

To: 7th and 8th Grade Band Students and Families
From: Mr. Marston and Mr. Gonzales
Regarding: Music in the Parks
Date Distributed: 2-6-2018

We are looking forward to performing and competing at Kings Island in the Music in the Parks adjudicated event on May 5. After the performance we will spend time enjoying the park and then attend our awards ceremony at the end of the day. The Talawanda Music Programs always do very well at this event, and we expect the same this year.

The total cost is **\$64** per student which includes the competition fees and a ticket for entrance to the park. However, this year the Talawanda Band Boosters are able to assist each student with a \$14.00 credit, bringing the cost down to \$50.00. The 1st payment is due at or before our concert on March 1, and the second payment is due on or before March 29. Please pay by check made out to the Talawanda Band Boosters and write the Student's Name on the memo line.

If your student has earned an account credit through their fundraising sales, any credit will be applied toward their Music in the Park fee and they will receive an updated statement listing their adjusted payment amount. If you do not wish to use your fundraising credit for this event, please inform the directors in writing or via email prior to March 1.

****Students who will perform but who have a season pass, or who will not be go to the park must inform the directors in writing or via email prior to the final payment date (March 29). These students will be given an adjusted payment balance. Students who have not informed the directors of special circumstances prior to the final payment date will be charged for their Kings Island entrance ticket.**

1st Payment: Thursday March 1 \$30 Payment Due
(payments can be made at the concert this evening)

2nd Payment: Thursday March 29 \$20 Payment Due

Saturday May 5th Performance at Music in the Parks

To Parents/Guardians of 7th Grade TMS Students:

We have worked throughout the year to organize and fundraise for a small, but significant end of the year field trip. Our trip will be Friday, May 11, 2018, and is bullet-pointed below. Please review and sign permission on the attached page to be returned to your student's Social Studies teacher by Wednesday, February 7th.

- *Pick up by buses from Queen City Transportation at the middle school on the morning of Friday, May 11*
- *Travel to Columbus*
- *Go to the Columbus Zoo*
- *Eat pre-packed lunch (by you) at first location*
- *Leave 1st stop at about 12:30*
- *Travel to COSI, until 4:00*
- *Walk to Dinner at Spaghetti Warehouse 4:15-5:45 (sidewalk connects)*
- *Travel home, making it back to TMS at approx 8 pm Friday night*

As of now, the cost of this trip is \$20 per student. This cost will cover busing to and from TMS, admission to COSI and to the zoo, and for dinner at the Spaghetti Warehouse. Funds raised during the fall Antique and Craft Show, and during the Silent Auction, in September have been set aside for this trip, to bring us to this minimal student cost.

Those students who already have a savings for D.C. with Mr. Brinck may dip into that account to use for this trip if you so desire. If this is the avenue that you would like to take please check accordingly on the sheet below.

We will share behavior expectations, that will need to be reviewed and signed, in the near future. Thank you for your continued support!

7th Grade May 11th Field Trip to Columbus

My student _____(print name) has my permission to go on the 7th grade field trip to Columbus, Ohio, on May 11th, 2018.

I understand that I will need to make arrangements to pick up my child at TMS at 8 p.m. on that date.

I understand the cost of the field trip is currently \$20. I do not need to send money in at this time but will do so when notified of the final cost. When we have the final cost, we will share with you and expect payment by May 1st, 2018.

I understand that this trip is part of the District's educational program and provides a learning experience of educational value to my child.

I further understand that the staff member(s) who will accompany the students on this field trip, will exercise the necessary and appropriate duty of care for them pursuant to Board Policy 3213, including, but not limited to: administering medication, if required, or seeking emergency medical attention, if need be.

Attention Talawanda Middle School Families!

Save your Plastic Caps and Lids!

Please start saving your plastic caps and lids! The National Junior Honor Society (NJHS) is leading a bottle cap and plastic lid recycling initiative at TMS. The recycled bottle caps and lids will be collected until we have enough to **make a bench for TMS made completely of recycled lid and cap plastic** material we have collected!

Here is how you can help us:

- **Collect plastic bottle caps and plastic lids** (see list of acceptable caps and lids below)
- Feel free to collect large amounts at home and bring to school in grocery bags or ziploc bags - the whole bag can be placed in the collection bin
- **Please rinse** all lids and caps before bringing them to school
- Place lids and caps in a **collection bin** - there is one located in each grade level hallway and one in the cafeteria
- Collection will continue until we have enough to build a bench for TMS (Kramer and Marshall already have benches and Bogan is collecting this year for a bench!)
- Spread the word! Tell your friends, family, and neighbors and ask them to collect too!
- This benefits our community (recycling!), the school (we get a bench!), and you (you help make TMS a better place!)
- Questions? Contact NJHS Advisor Mrs. Murray murraym@talawanda.org

NJHS students will be responsible for collecting, cleaning, and sorting lids and caps here at school. This project is possible through the ABC Promise Partnership program at Green Tree Plastics, LLC. We appreciate your help in this project that promotes recycling and will benefit our school with a new bench!

TMS Garden Club

We are building a new TMS garden to learn about where our food comes from, how to grow it in the most environmentally responsible way possible, and eventually share what we grow with the cafeteria salad bar or the Oxford Food Pantry. We will have our science classes test our soil, the STEAM club is helping build what we need, and we will research what grows best in our seasonal climate. We will have guest speakers in the winter including botanists, members of Miami's Slow Food Initiative, and various others.

National Junior Honor Society (NJHS)

NJHS is a group for 8th graders that are selected to become members at the end of 7th grade. Members are selected based on academics (3.75 or above cumulative GPA for all of 6th grade and the first two trimesters of 7th grade), community service involvement, leadership, and character. The chapter has meetings during the regular school day and participates in many school and community initiatives.

For 6th and 7th graders interested in becoming members as 8th graders: keep your grades up, take on leadership roles at school and in other activities, keep your behavior and actions in good conduct, and perform community service!
