

TMS E-News - 1/8/2021

Happy New Year to our TMS families!

The School Counseling staff will be hosting an informational College Credit Plus (CCP) meeting on January 13th at 5pm on Zoom. Qualified students in grades 7-12 can take courses in Ohio's College Credit Plus program and earn college credit. This meeting will provide an overview of the program, how to apply, and the deadlines. Representatives from local universities will be in attendance to provide college-specific information. Any student/family planning to participate in CCP classes for 2020-21 should plan to attend.

- 2) On the left hand side, click REPORT CARD

- 3) Click TAMS YEAR REPORT CARD from the drop down menu. Then select VIEW PAPER REPORT CARD.

Talawanda School District Health Coordinating Council

We are excited to introduce a wonderful resource to our families! Beginning next week, we will share one section of this Parent Guide each week with the Talawanda community.

Building Resilient **Families**

As educators, we do our best to help students. But, we have limited tools to impact the challenges they face at home. That's why we developed our guide for parents... **to help them build resilient families.**

Engaging Tools for Parents

The parent guide is based on the same concepts that make The WhyTry Program and Resilience for Youth so effective.

Now, you can empower parents to teach their children where resilience comes from, and how to access it. They can use simple strategies and fun activities to engage the whole family in the learning process.

To help you implement the parent guide in your community, we also offer training for your team. This training will give you tools to support parents directly, taking a more collaborative approach to developing resilience in your students.

Using the parent guide as a curriculum, you will be able to deliver engaging, activity-driven community events to teach resilience.

To learn more, visit:
ParentGuide.WhyTry.org

The **Parent Guide** Includes:

- Resilience-building concepts anyone can use
- Simple strategies for developing resilient families
- Engaging activities that make it fun and easy to learn together
- Audio recordings so busy parents can listen 'on the go'

We hope you find this to be helpful. To preview the guide, visit ParentGuide.WhyTry.org.

For more information, please contact Amy Macechko, Health & Wellness Coordinator, at 513.273.3390 or macechkoa@talawanda.org.

Kidz-n-Character VIRTUAL Creative & Performing Arts Program

The Kidz-n-Character Program provides opportunities for youth to participate in drama activities, creative movement and other creative and performing arts skills in a virtual setting while developing character and life skills. Participants will even have an opportunity to participate in a virtual performance! The program is open to 3rd-6th grades. Registration capacity will be capped at 15 students.

Camp Activities include:

- Participating in creative drama activities that build acting, auditioning, and performance skills
- Creative movement activities
- Involvement in character/asset development activities
- Building positive relationships and friendships
- Acting in a virtual performance for families and friends
- Participants will receive a "Care Package" with scripts and others supplies for the program

WHO SHOULD ATTEND

Parents and caregivers who are facilitating a child's schoolwork at home and who are interested in learning about these simple, easy-to-use strategies for maximizing productivity during this time!

What is PAX Tools?

PAX Tools is a collection of evidence-based, trauma-informed strategies to improve cooperation and self-regulation with youth. PAX Tools strategies draw on decades of science to support parents, youth workers, and other caring adults to create a nurturing environment and help kids thrive!

Why PAX Tools for School@Home?

PAX Tools for School@Home was developed to support families facilitating school at home in response to the COVID-19 pandemic.

The PAX Tools strategies help parents and caregivers address real-world challenges and develop skills that specifically help children **improve study habits** and **learning outcomes** with school at home.

These workshops guide caregivers to apply PAX Tools strategies to increase **focus**, **motivation**, and **stamina**. Participants in this workshop will attain practical skills to maximize the Peace, Productivity, Health and Happiness for families during this uncertain time.

To learn more about PAX Tools or to inquire about additional programs offered by **PAXIS Institute**, an international prevention science company, visit www.paxis.org.
