Yearbook News

The deadline to pre order your students yearbook is quickly approaching. You have until March 16th to pre order a yearbook. Yearbook orders forms were sent home last month for those of you who still needed one. If you have already placed an order please just disregard these order forms. If you would like to place your order online please visit ybpay.lifetouch.com and the ID code is 10975618. If for some reason you are not sure if you have placed an order or if you have any questions, please contact Suzanne Burch at burchs@talawanda.org.

COOKIE DOUGH SALE

February 20 - March 8, 2018

TMS Families,

This is the last fundraiser of the year to help fund student travel at TMS. Each student was given a packet/envelope for cookie dough. Each student was also given a letter explaining in detail how the Cookie Dough Sale works for their grade level.

Please read over the instructions and decide if this is something your child(ren) wants to participate in here at TMS. Each student that decides to participate in the sale will earn a 50% profit to be used for student trips at TMS.

The sale is over **MARCH 8, 2018** -- Please double check your order and money. All checks are payable to TMS PTG.

Cookie Dough delivered -- Tuesday, March 27th at 2:50pm.

Any questions or concerns should be directed to John Brinck at

... Email = brinckj@talawanda.org

Cell = 513 - 477 - 9503

EXTRA FORMS ARE LOCATED IN THE TMS OFFICE.

Read the fine print.

School fundraisers are designed to assist students wanting to travel on class trips. If a student chooses to not travel, all money raised is forfeited to the general scholarship fund. There is also a cap to how much profit a student is allowed to earn. The profit stops at 75.00 past the cost of the Washington, D.C. trip. The extra money will be donated to the general scholarship fund. For example: earn \$700 and the trip cost \$600 -- you keep 75 TMS keeps 25. This rarely happens, but we can't let you pocket hundreds of dollars in profit.

What's the New Club Starting at TMS? T.M.S. Fishing Club

Where will it meet? T.M.S. and local ponds/lakes

When will it meet? March 15, March 29, April 12, April 26, and May 10

Who can join? T.M.S. 6 – 8 Grade Students

How many students can join? Limited to 25 students

What Will We Do? Make fishing lures; learn how/where/when to catch different kinds of fish; Go Fishing!

How much will it cost? \$10 (to pay for supplies to make our lures) Due by March 6th. Please bring money or check payable to "TMS PTG" to the TMS office secretary.

(Supplies need to be ordered so we can make lures at our first meeting!)

Who is sponsoring this club? Mr. Whiteman

Other Important Information: We will need parents to help out at meetings and fishing events. On days that we go fishing after school, you will need to have your parents bring you and your gear to school that day. Students are not aloud to bring their gear on the bus with them to school. We have a **Google Classroom Page**. Members will be encouraged to join the site to receive information, updates and "talk fishing!" The **class code** to join is **fu13bhu**

Welcome to the TMS Fishing Club!

Please take a few minutes and fill this contact form out with your parents/guardian. It will be helpful to allow us to stay in contact. If we have to change a meeting time or pick up time, etc., it will be very useful. Thanks! Mr. Whiteman

Personal Health Information (allergies, health issues, etc.):

Please note: I will also be sending home permission slips to attend our two fishing events, as it gets closer to those events. A signed permission slip will be mandatory in order for students to attend.

Welcome to the TMS Fishing Club!

When will we meet? We will be meeting on the following dates after school at TMS in Room 310 until 3:45 p.m. (Parents please pick up your child by 3:45 as I have obligations starting at 4:00 on those days.)

- March 15th
- March 29th
- April 12th

On these dates, we will make fishing lures, talk fishing (discuss local fish species, how to catch them, etc.), have a casting contest, watch fishing videos, etc. depending on the weather. If any parents are willing to provide snacks for any of our meetings, please contact me at whitemans@talawanda.org or call me at (513)273-3356.

When will we go fishing? We will go fishing the following dates:

- April 26th
- May 10th

Where will we be fishing? We will be fishing at a local farm pond located near TMS on April 26th. The May 10th date is yet to be determined. We may go back to the pond we fished on April 26th or we may fish at either Hueston Woods or a farm pond of one of the club members. If you have a pond that you are willing to allow us to come and fish, please let me know. Due to District Policy and Insurance issues, I am not allowed to have parents transport groups of students from school to off site fishing locations. If we, as a group decide to go somewhere other than the pond across from the school, parents will have to arrange to take their child to that location and pick them up from there once we are done.

Other Important Information:

- Parents, we will need parents to help supervise our meetings and fishing events.
- On days that we go fishing after school, students will need to have their parents bring them and their gear to school that day. Students are not allowed to bring fishing stuff on buses.
- We have a **Google Classroom Page**. Members will be encouraged to join the site to receive information, updates and "talk fishing!" The **class code** to join is **fu13bhu**

Please cut and return the portion below to Mr. Whiteman as soon as possible.

Parents, I am going to need parent volunteers to help supervise students. I am opening this up to as many students as I can possible accommodate, but I need your help to do so. Without parent help, this program will not be possible. So...this is my plea for parent help! If you are willing to assist in any of our fishing meetings or events, please fill out the information below and have your child return it to me as soon as possible. Thanks! Scott Whiteman

TALAWANDA SCHOOL DISTRICT

Empowering Every Learner Every Day!

February 23, 2018

Dear Talawanda Families:

The Talawanda community has been so sad to learn of one more school tragedy that occurred this past week in our country. We grieve for those students, families, educators! Our heartfelt thoughts and prayers go out to the entire Parkland, Florida community. It is terrible that schools *must* prepare their safety plans and procedures in ways that address potential threats of violence against children in our schools.

As a member of the education/school community, and as a guardian of the students who pass through our doors, I feel it is imperative that student welfare and safety be our first priority within the Talawanda School District.

The district administrators meet with local safety officials each quarter to evaluate the district's emergency plans, resources, and training needs. Administrators are asked to review building safety plans on a regular basis. Staff members are asked to keep their emergency protocols on their desks so that they are easily accessible. Annually, safety officials from the Oxford Police Department and the Butler County Sheriff's Department volunteer their time to provide ALICE (Alert, Lockdown, Inform, Counter, Evacuate) training to our K-12 students. The state requires that drills are conducted annually, functional table top drills are conducted every other year, while functional drills are conducted every third year. We have been engaged in planning a functional community drill for many months that will take place on August 31, 2018. Community volunteers will be asked to assist with this task.

Chloris indica L. (common barnyard grass) is the most common weed in the United States and is a major pest of rice and other grain crops. It is a warm-season annual grass that grows in a wide range of environments, from coastal salt marshes to high-altitude mountain meadows. It is a highly adaptable species that can tolerate a wide range of soil conditions, including saline and alkaline soils. It is a highly competitive species that can outcompete many other plants in its environment. It is a highly invasive species that can spread rapidly and colonize new areas. It is a highly resilient species that can survive in a wide range of environments, including coastal salt marshes, high-altitude mountain meadows, and urban areas. To Parents/Guardians of 7th Grade TMS Students:

We have worked throughout the year to organize and fundraise for a small, but significant end of the year field trip. Our trip will be Friday, May 11, 2018, and is bullet-pointed below. Please review and sign permission on the attached page to be returned to your student's Social Studies teacher by Wednesday, February 7th.

- *Pick up by buses from Queen City Transportation at the middle school on the morning of Friday, May 11*
- *Travel to Columbus*
- *Go to the Columbus Zoo*
- *Eat pre-packed lunch (by you) at first location*
- *Leave 1st stop at about 12:30*
- *Travel to COSI, until 4:00*
- *Walk to Dinner at Spaghetti Warehouse 4:15-5:45 (sidewalk connects)*
- *Travel home, making it back to TMS at approx 8 pm Friday night*

As of now, the cost of this trip is \$20 per student. This cost will cover busing to and from TMS, admission to COSI and to the zoo, and for dinner at the Spaghetti Warehouse. Funds raised during the fall Antique and Craft Show, and during the Silent Auction, in September have been set aside for this trip, to bring us to this minimal student cost.

Those students who already have a savings for D.C. with Mr. Brinck may dip into that account to use for this trip if you so desire. If this is the avenue that you would like to take please check accordingly on the sheet below.

We will share behavior expectations, that will need to be reviewed and signed, in the near future. Thank you for your continued support!

7th Grade May 11th Field Trip to Columbus

My student _____(print name) has my permission to go on the 7th grade field trip to Columbus, Ohio, on May 11th, 2018.

I understand that I will need to make arrangements to pick up my child at TMS at 8 p.m. on that date.

I understand the cost of the field trip is currently \$20. I do not need to send money in at this time but will do so when notified of the final cost. When we have the final cost, we will share with you and expect payment by May 1st, 2018.

I understand that this trip is part of the District's educational program and provides a learning experience of educational value to my child.

I further understand that the staff member(s) who will accompany the students on this field trip, will exercise the necessary and appropriate duty of care for them pursuant to Board Policy 3213, including, but not limited to: administering medication, if required, or seeking emergency medical attention, if need be.

Attention Talawanda Middle School Families!

Save your Plastic Caps and Lids!

Please start saving your plastic caps and lids! The National Junior Honor Society (NJHS) is leading a bottle cap and plastic lid recycling initiative at TMS. The recycled bottle caps and lids will be collected until we have enough to **make a bench for TMS made completely of recycled lid and cap plastic** material we have collected!

Here is how you can help us:

- **Collect plastic bottle caps and plastic lids** (see list of acceptable caps and lids below)
- Feel free to collect large amounts at home and bring to school in grocery bags or ziploc bags - the whole bag can be placed in the collection bin
- **Please rinse** all lids and caps before bringing them to school
- Place lids and caps in a **collection bin** - there is one located in each grade level hallway and one in the cafeteria
- Collection will continue until we have enough to build a bench for TMS (Kramer and Marshall already have benches and Bogan is collecting this year for a bench!)
- Spread the word! Tell your friends, family, and neighbors and ask them to collect too!
- This benefits our community (recycling!), the school (we get a bench!), and you (you help make TMS a better place!)
- Questions? Contact NJHS Advisor Mrs. Murray murraym@talawanda.org

NJHS students will be responsible for collecting, cleaning, and sorting lids and caps here at school. This project is possible through the ABC Promise Partnership program at Green Tree Plastics, LLC. We appreciate your help in this project that promotes recycling and will benefit our school with a new bench!

TMS Garden Club

We are building a new TMS garden to learn about where our food comes from, how to grow it in the most environmentally responsible way possible, and eventually share what we grow with the cafeteria salad bar or the Oxford Food Pantry. We will have our science classes test our soil, the STEAM club is helping build what we need, and we will research what grows best in our seasonal climate. We will have guest speakers in the winter including botanists, members of Miami's Slow Food Initiative, and various others.

National Junior Honor Society (NJHS)

NJHS is a group for 8th graders that are selected to become members at the end of 7th grade. Members are selected based on academics (3.75 or above cumulative GPA for all of 6th grade and the first two trimesters of 7th grade), community service involvement, leadership, and character. The chapter has meetings during the regular school day and participates in many school and community initiatives.

For 6th and 7th graders interested in becoming members as 8th graders: keep your grades up, take on leadership roles at school and in other activities, keep your behavior and actions in good conduct, and perform community service!

Talawanda Diversity Club

Introducing the new Talawanda Middle School Diversity Club! We are interested in spreading appreciation of the differences that every student brings to TMS, and celebrating what makes each one of us unique. We will explore what we can do at school and in our greater community to help our place be safe and inclusive for all students.
